Hello Families,

Welcome to The Children's Place and Parent Education Center. I wanted to take a moment to share my enthusiasm and gratefulness to be here at TCP. It has been an honor and privilege to be working as the Director of TCP for over 2 years, with the most amazing teachers and staff. We all work together to ensure a positive, exciting learning environment for all children who enter the doors at TCP. I am looking forward to getting to know you and your child(ren)! 😊

My name is Kelly Bozetarnik and I have been a teacher for 15 years and working with children for over 20 years. I grew up in New Hampshire and I graduated from UNH with my Master's in Education and my Bachelor's in Psychology. I lived in San Diego, CA for 12 years and met my husband, Josh who was originally from Vermont! We have two children; Owen is 5 and Lily is 3. They both attend our school, and it has been so wonderful to watch them learn and grow alongside their friends here at TCP.

In the past 20 years, I was the Director of two programs, which I loved! I was also a tutor, a reading and math support teacher, and classroom teacher. I have taught Pre-K through 3rd grade, working with students of all abilities and each year having the experience of working with English Learners. I have always felt that children learn best when they are in a positive, encouraging environment where they feel safe enough to participate and join in on the fun!

At TCP, we feel that play-based learning is the key to success! Play-based learning has proven to create well-balanced, inquirers who are compassionate and strong leaders. I have seen so much growth in every child who has attended The Children's Place; it is remarkable! We all enjoy getting to know our students and families, which allows us to create an environment in which they can learn and grow as a whole person. Having a solid educational foundation based on community and kindness is something I was given and will always cherish! This is what we all strive for at TCP. Welcome to our TCP family. 😊

CHILD CARE REGISTRATION AND EMERGENCY INFORMATION

NOTE TO PARENT/S or GUARDIAN/S: The licensing authority for this program is the bureau of licensing and certification, child care licensing unit. Child care programs are required to post a copy of the statement of findings and corrective action plan for the most recent visit in a location which is accessible to parents, and must maintain copies of the statement of findings and corrective action plan for the preceding visit and make them available for parents to review upon request. Statements of findings and corrective action plans are also available on-line at <https://nhlicenses.nh.gov/verification/Search.aspx?facility='Y> or by calling the unit at 603-271-9025 or 1-800-852- 3345, extension 9025.

During visits to programs, licensing staff speak with children regarding the care they receive at the program if in the judgment of the licensing staff the children's response would be valuable in determining compliance with licensing rules. Licensing staff are experienced in working with children and trained to speak with children in a manner that is respectful and non-leading. Children will remain with their class or group during these conversations with licensing staff, and at no time will a child be forced to speak with a licensing coordinator. Please indicate whether licensing staff may speak with your child while they are with their class or group:

I give permission for child care licensing staff to speak with my child while with their class or group.

I do not give my permission for child care licensing staff to speak with my child while with their class or group.

If licensing staff believes your child may have specific information regarding an alleged event at the child care program, and determines that it is best to interview your child separately and not with their class or group, please indicate your preference among the following options:

I give permission for child care licensing staff to interview my child at the child care program separate from their class or group.

I wish to be notified prior to child care licensing staff interviewing my child at the child care program separate from their class or group.

I do not give permission for child care licensing staff to interview my child at the child care program separate from their class or group.

If your child has an:

ALLERGY: We will need a note from your child's Primary Care Physician as soon as possible stating to what foods that your child is allergic. A note from your child's PCP is required. In the comments area, please state if your child has an Epi-Pen or other forms of medical treatment. Briefly explain the nature of the reactions to expect in the event that an allergic reaction may occur. This can be hives, swollen eyes, rashes etc.

If you would rather your child have a milk alternative such as almond milk, lactaid, or soy milk etc., please write in the comments area and specify what you want your child to have or NOT have. Example: If you would rather your child have water instead of milk, please state it clearly. This will act as the "note from a parent" which is required.

Please state in the comments area if you will be providing snacks/meals for your children. This will act as the "Note from a parent" which is required.
