UPPER VALLEY
MUSIC CENTER

Music Together®

Join us for an engaging Early Childhood music and movement class presented by the Upper Valley Music Center.

A welcoming group where babies, toddlers, children and their grown-ups create and experience various styles of music, explore musical instruments and interact together while moving and grooving to different rhythms and beats.

Parents and caregivers support different areas of their child's development and share in the music-making!

Monday March 9th

10:30-11:15am
