

Waypoint SleepOut

Because Every Night Matters

Because of your support, Waypoint can continue showing up for young people experiencing homelessness—providing the services, stability, and hope they need to move forward.

THANK YOU!

\$315,000 Raised

To support vital programs for Homeless Youth and Young Adults

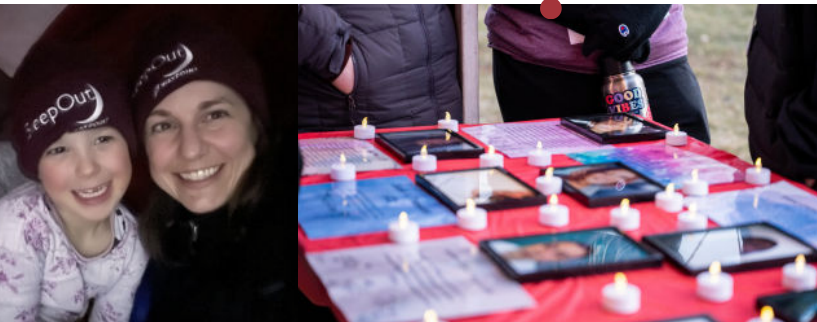

Who is Impacted?

“I’ve been able to leave seven years of homelessness, drug addiction, and constant struggle behind and gain a sense of security, self-esteem and care for myself.”

Waypoint Rapid Rehousing Participant

Waypoint meets urgent basic needs, provides access to housing and delivers trauma informed services **to over 500 youth ages 12-24 each year in New Hampshire**. Funds raised through SleepOut directly support this continuum of care.

Your dedication helps turn nights without shelter into pathways home.
