

LEGO® Builders Group

**WEDNESDAY August 12th & 19th
9:00-10:00 AM**

**This group is for children 18 months through 9 years
and their accompanying adult!**

**Join us for an hour of exploring and building with
Duplos® and LEGO®, constructing with
developmentally appropriate bricks and blocks
based on age. Registrations are limited.**

Lego® play offers numerous benefits for both children and caregivers. For children, it enhances cognitive skills like problem-solving, spatial reasoning and creativity while also boosting fine motor skills and social-emotional development. The adults can enjoy the benefits of family bonding time, stress reduction and increased communication and teamwork with their children through shared Lego® building experiences.
